PERMISSION TO GAIN/SHARE INFORMATION

From time to time, it benefits a child for school personnel to communicate with others who work with the child in order to coordinate efforts. Examples might include sharing goals and progress with therapists, counselors, physicians, or tutors. Permission from the parent is required to gain and share confidential information with anyone outside of the school system.

I, _____ (parent/ guardian), give Georgia School for Innovation and the Classics Personnel permission to talk to the following:

 (name)

 (phone number)

regarding my child _____ (Date of Birth) _____

during the _____ school year. I understand that confidential information may be exchanged.

 (parent/guardian signature)

 (date)

Copy to: Parent/Guardian, Teacher, Counselor

*GSIC Personnel may include: teacher, counselor, SST chairperson, school psychologist, school social worker, and other specialists involved in the student's educational planning.
